NSC INDOOR DOG & CAT REPELLENT LABEL BACK PANEL

DIRECTIONS:

To train your pet (or guest pet) to avoid sleeping on furniture, beds, or to avoid certain areas of your home: Spray the article of furniture, rug, area, etc., lightly with NSC INDOOR DOG & CAT REPELLENT until article is slightly moistened. Before spraying entire rug area, fabrics or plastics, it is advisable to test spray a sample of this item. This product may stain or soften certain fabrics or plastics. If so, spray a cloth, and place it on the object you wish to protect from pet. Repeat daily or until habit is broken. Amplify this spray with sharply spoken words, when teaching pet not to utilize area sprayed.
