For Formulating Use Only

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NDPES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Directions For Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Only for formulation into herbicides for: (1) use on soybeans, cotton, canola, fallow, and noncropland (2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of the registration and (3) uses for experimental purposes that are in compliance with USEPA requirements. Formulators using this product are responsible for obtaining EPA registration for their formulated products,

Storage and Disposal

Pesticide Disposal: Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Protection Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state

Returnable/Refillable Containers: This container must be returned intact to BASF for cleaning and re-use.

Steps to be Taken in Case Material is Released or Spilled: Dike and contain the spill with inert material (e.g., sand, earth). Transfer liquid to containers and solid diking material to separate containers for recovery and disposal. Remove contaminated clothing promptly and wash affected skin areas with soap and water. Thoroughly launder clothing before reuse. Do not take clothing home to be laundered. Keep spills and cleaning runoffs out of municipal sewers and open bodies of water.
