

POISON

(Contains Hydrochloric Acid)

Antidote: Call physician immediately.
Internal - Drink a teaspoon or more of magnesia, chalk or small pieces of soap softened with water, in milk, or raw egg white. **Eyes** - Wash with water for 15 minutes. Get prompt medical attention.
External - Wipe off the acid gently, immediately flood with water, using soap freely, then cover with moist magnesia or baking soda.

DANGER
KEEP OUT OF REACH OF CHILDREN

CORROSIVE: May be fatal if swallowed. Produces chemical burns. Do not breathe vapor or fumes. Do not get in eyes, on skin, or clothing.

CAUTION: Do not use this cleaner on porcelain coated steel or cast iron fixtures. Use only on vitreous china toilet bowls or urinals. Use of this material on other than vitreous ware is done at user's own risk.

NOTE: Empty bottle should be rinsed with water and then destroyed.

DISINFECTS

DIRECTIONS

1. Using applicator, remove water from bowl by forcing over trap.
2. Holding applicator over bowl, apply 2 ounces to applicator.
3. Apply cleaner all over bowl, especially under rim at water outlets.
4. Let stand 2-4 minutes, then flush and rinse thoroughly.

To disinfect entire bowl, remove as much water as possible, pour 2 ounces into bowl and thoroughly wet all surfaces. Rinse with water after treatment.

REMOVES RUST, STAINS AND OTHER DEPOSITS
