READ ENTIRE LABEL. FOLLOW STRICTLY DIRECTIONS AND CAUTIONS

DIRECTIONS

For the control of leaf blights, leaf spots, blossom blights, rust and powdery and downy mildews on flowers and ornamental shrubs, such as, roses, dahlias, pansies, zinnias, iris, lilies, tulips, azaleas, camellias, rhododendrons, chrysanthemums, carnations, hollyhocks, honeysuckle, goll: USE one level tablespoonful per gallon of water (1 oz. per 5 gallons). REDUCE to 1 level tablespoonful to 1 1/2 gallons of water on open blossoms. Repeat at 7-10 day intervals for routine prevention. Repeat at 5 day intervals under wet epidemic conditions.

For apple and pear scab and mildew, grape mildew and downy mildew, spray before buds swell in the spring and repeat at weekly intervals during the blooming period when weather is rainy or foggy. USE one level tablespoonful per gallon of water.

For downy and powdery mildews on cucumbers, summer squash and melons, spray at 7-10 day intervals with one level tablespoonful per gallon of water. Begin application before diseases appear. Do not apply within 2 days of harvest.

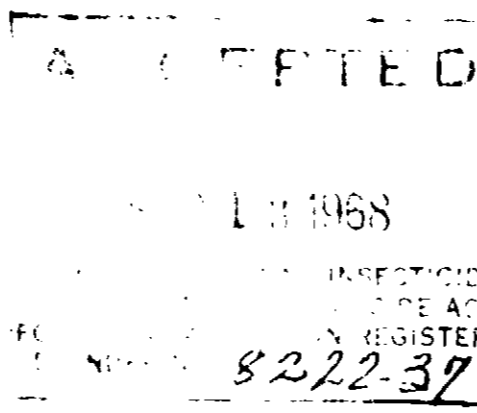

For blights, rust, down and mildew on lawn grasses, spray at 7-10 day intervals.

BACK LABEL CONTINUED:

CAUTION: Avoid children and pets off treated areas until the material has washed into the soil and has dried. Do not wear clothing that is wet with this material. Avoid skin and eye contact and inhalation of dust. Wash several minutes with running water and get a good shower. Avoid contamination of food.

This product is toxic to fish. Keep out of any body of water. Immediately wash container thoroughly and destroy. Do not transfer to unlabeled container.

NOTE: Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, express or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established practice. The Buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
