CONTENTS: 20 g (0.7 oz)

CAUTION: KEEP OUT OF REACH OF CHILDREN.
Read Directions and Precautionary Statements Before Use

HERCON topBait improves the effectiveness of residual insecticides applied for cockroach control by attracting *Periplaneta* cockroaches to an insecticide treated area where they can pick up a lethal dose.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:

Caution: Avoid contact with skin, eyes or clothing. Avoid inhalation of spray mist. Wash hands thoroughly with soap and water after use.

DIRECTIONS FOR USE

This is a bait product. Follow label directions for use in the manner prescribed with the insecticide.

HERCON topBait is to be used only with residual insecticides which are EPA registered for cockroach control. Prepare residual insecticide spray mixture according to label directions. Open topBait containers only when ready to use. Add 1/2 oz topBait to every gallon of residual insecticide spray to make a 1/2% spray mixture. Apply with a residual insecticide containing insecticide spray mixture according to insecticide label directions.

STORAGE AND DISPOSAL
