OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

SUBJECT: Label Amendment Submissions of 11/22/93 in Response to PR Notice 93-7
EPA Reg. No.: SEE ATTACHED 9198-86

Dear Registrant:

The labeling cited above and submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, successfully **REMOVES THE PRODUCT FROM THE SCOPE** of PR Notice 93-7 one the comments (if any) on the attached sheet are addressed. Other than the alterations (if any) listed on the attached sheet, no further alterations to the labeling are necessary to reflect the requirements of the Worker Protection Standard.

Since your amendment proposes to delete uses directly and/or to delete uses implicitly through the use of exclusionary statements), the Agency will publish in the Federal Register a notice of receipt of your amendment to delete uses, as required by section 6(f)(1) of FIFRA. The Agency will defer action for 90 days from the date of the Federal Register notice to give affected minor users an opportunity to try to persuade you to retain the uses(s). When the comment period has expired, the Agency will approve the amendment unless you have withdrawn it, and stamp the amended labeling "accepted." Your stamped-accepted labeling will then be sent to you.

As described in Supplement A of PR Notice 93-11 (self-verification option), you may sell and distribute product bearing the submitted labeling before you receive a copy of your stamped-accepted labeling. Note that your registration is not amended until the comment period required by section 6(f)(1) of FIFRA has expired and the Agency has approved the amendment. Therefore, you may withdraw your proposed amendment at any time during the comment period and until you receive your stamped-accepted labeling.

Sincerely,

James Tompkins, Deputy Chief
Registration Support Branch
Registration Division (7505W)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, or clothing. In case of contact flush with water. Do not contaminate foodstuffs or feed. Do not feed forage from treated areas to livestock.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, wash skin with plenty of soap and water; for eyes, flush with water for 15 minutes and get medical attention.

ENVIRONMENTAL HAZARDS

This product may be toxic to fish. Keep out of lakes, ponds or streams. Do not apply where runoff is likely to occur. Do not contaminate any body of water by direct application, cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Not for use on plants being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

LAWN and ORNAMENTAL TURFS (Established Turf only)

Apply contents of bag 5 pounds to 2,500 sq. ft. (50' x 50') of lawn with a spreader for the control of SMOOTH & HAIRY CRABGRASS, GOOSEGRASS (SILVER CRABGRASS), BARNYARDGRASS, YELLOW and GREEN FOXTAIL, 5 pounds to 1850 sq. ft. (37' x 50') for control of ANNUAL BLUEGRASS, (Poa Annua).

BALAN controls weeds by killing their seeds as they germinate. It does not control established weeds. Time application in the spring, before the germination of annual grass weeds listed. Water after application to wash chemical into the turf.

PRE-CAUTION: Do not apply to turf planted the previous fall. Do not apply to bentgrass putting greens or dichondra turf. Do not apply to newly sprigged areas of bermudagrass, St. Augustinegrass, or Centipedegrass until these turfs are well established since root inhibition may result. BALAN may thin fine-leaved fescues at rates above those recommended on label.

Note: Do not reseed within 42 days after treatment.

SUGGESTED SPREADER SETTINGS

	Poa Annua Control	Crabgrass Control		Poa Annua Control	Crabgrass Control
Central Drop	8 - 8 1/2	7 1/4 - 8	Ortho Broadcast	1 - 2	1
Central Broadcast	3 1/4 - 4	3 1/2 - 3 3/4	Scotts Drop	5 1/2 - 6	4 3/4 - 5 1/2
Cyclone	4 - 4 1/4	3 3/4 - 4	Scotts Broadcast	F - H	D - F
Greenview	8 - 8 1/2	7 3/4 - 8	Sears Drop	7 3/4 - 8 1/4	7 1/4 - 7 3/4
Ortho Drop	5 - 5 1/2	4 1/2 - 5	Sears Broadcast	3 3/4 - 4	3 1/2 - 3 3/4

These suggestions are for your guidance and are in no sense a guarantee of exact application. Age, condition of spreader, speed of operation and roughness of terrain can cause variations in the rates applied. Be sure to calibrate spreader with each application.

STORAGE AND DISPOSAL

STORAGE: Store in a dry place. Keep container closed. Do not contaminate water, food, or feed by storage or disposal. Do not store near other pesticides or seeds. Keep out of reach of children, pets and other animals. Avoid moisture.

CONTAINER DISPOSAL: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse bag. Discard bag in trash.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary. Seller makes no claims other than those stated on this label.
