DIRECTIONS:

To clean and sanitize walls, floors, tables, refrigerators, stoves, sinks, bathroom fixtures, food utensils and garbage cans; wash with solution containing 1/2 oz. per gallon of water. Use 1 oz. to disinfect these areas.

To disinfect locker rooms, pool-side floors, etc., to control the spread of Athletes Foot Fungi use 1 oz. per gallon of water.

To clean and sanitize animal and bird cages, kennels, barns, etc., wash with solution containing 1/2 oz. per gallon.

To disinfect sheets, linens, aprons, uniforms and other fabrics; soak in solution containing 1 oz. per gallon of water.

After treatment, rinse with potable water those surfaces with which food comes in contact.

Highly effective against a wide variety of micro-organisms including those Fungi which commonly cause Athletes Foot.

Active Ingredients:

| | |
|---|-----|
| Methyldodecylbenzyl trimethyl ammonium chloride | 4.0 |
| Methyldodecylxylylene bis-trimethyl ammonium chloride | 1.0 |
| Sodium Carbonate | 3.0 |

Inert Ingredients:

| | |
|--------------------------------|------|
| Including compatible detergent | 92.0 |
|--------------------------------|------|

Phenol Coefficients:

| | |
|-----------------------|----|
| Salmonella typhosa | 13 |
| Staphylococcus aureus | 25 |

Properties:

High Germicidal Activity coupled with efficient controlled suds detergent activity quality this product is a multi-purpose cleaner which destroys a wide variety of micro-organisms where they live and multiply — help to maintain an odor-free environment by its action as a true deodorant not by masking one odor with another.

FOR USE:

In locker rooms, showers, stalls, cafeterias, kitchens, tables, and floors, food processing areas, toilet rooms, animal stalls, garbage pools, etc.

Caution — KEEP OUT OF REACH OF CHILDREN
