

MW - 55 INSTANT MILDEW REMOVER

M-55 works instantly on most surfaces. Simply spray on and let dry. When MW-55 dries, the mildew will be gone.

In close areas, such as bathrooms, spray on the mildewed areas, leave area long enough to let dry. Upon return the mildew will be gone. After mildew dries and disappears wipe or rinse with clear water.

Do not reuse container. Destroy when empty. Do not use on surfaces that will contain food. Not recommended for clothing. Do not use on cotton or wool. For all other fabrics test a small area first as discoloration may result. Avoid contact with clothing.

Do not mix with other chemicals, especially ammonia or acid bowl cleaners as this may result in the release of hazardous gases.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

Net Contents _____

- **SPRAY ON . . . MILDEW'S GONE**
- **GUARANTEED TO WORK**
- **KILLS MILDEW ON CONTACT**
