PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING

May be fatal if swallowed. May produce irritation of skin or eyes. May be absorbed through the skin. Do not breathe dust. Avoid contact with skin and eyes. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not discharge into streams, ponds or public water unless in accordance with a National Pollution Discharge Elimination System permit. For guidance, contact your regional office EPA.

DIRECTIONS FOR USE

It is a violation of the Federal Law to use this product in a manner inconsistent with the labeling. This product may be used only for the formulation of an insecticide. Formulators using this product are responsible for obtaining EPA registration for the formulated product.

STORAGE AND DISPOSAL

Prohibitions:

STORAGE

Do not store with food, feed, or clothing.

Storage areas should be:

1. Secured by lock and key.
2. Dry.
3. Posted as pesticide storage.

Store containers in upright position.

If spill occurs: Avoid contact. Sweep up material, and place in plastic bag. Place bag in a metal container. Dispose of in an approved landfill according to local, state, and federal regulations. If all of the material can not be removed, treat area with bleach and wash with water.
