DIRECTIONS

Prepare a bait by placing one tablespoon of SURE KILL Brand Roach Powder in a small flat container (two inch square piece of foil or wax paper). Place in areas where roaches have been seen — especially around water sources. Use at least twenty baits, placing most in kitchen area under stoves, refrigerators, sinks, hot water heater and freezer. Use additional baits if heavily infested. Apply only to areas inaccessible to children and pets.

FIRST AID TREATMENT

Call a Physician. If conscious induce vomiting by giving a tablespoonful of salt in glass of warm water and repeat until vomit fluid is clear. Keep patient warm.
