BOATERS CHOICE Mildew Remover has an especially developed high strength formula for demanding marine requirements. Our exclusive formula removes mildew in just seconds from vinyl or canvas boat tops, vinyl cushions & seats and fiberglass hull surfaces. Can also be used for removing mildew from shower curtains, ceramic tile & grouting and cement swimming pool decks. A special penetrating agent removes deeply imbedded mildew spores and aids rinsing soils from treated areas.

Directions: Spray mildewed area completely holding bottle 6 to 8 inches from surface. Thoroughly rinse with water after the mildew disappears - usually in about a minute. Mildew Remover is not for use on colored fabrics or black canvas. Mildew Remover can be used on most colored vinyls and canvas, but test an inconspicuous area of any material before using. Do not use on steel or aluminum.

To prevent reappearance of mildew after cleaning use BOATERS CHOICE Mildew Preventative-Deodorant.

CAUTION: May cause severe eye and skin irritation. In case of contact with eyes flood with water and get PROMPT MEDICAL ATTENTION. Avoid contact with skin or wear rubber or plastic gloves. If Mildew Remover is splashed on skin wash off with water. HARMFUL IF SWALLOWED. If swallowed feed milk and CALL A PHYSICIAN. Vapor may be harmful, use only in a well ventilated area. Store upright in cool place tightly capped. Do not use ammonia or toilet bowl cleaners with Mildew Remover. Do not reuse container. This product is toxic to fish. Do not contaminate water by cleaning of equipment, or disposal of wastes.
