NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with 40 CFR section 161.107(A) provided that you:

1. Submit any or all data necessary for a successful reregistration of your product under 40 CFR 161.107(A) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 26876-1" to your label before you release the product for shipment.
3. Submit two copies of your final printed label to the Agency before the product for shipment. Refer to the label description in the written description of final printed labels.
4. If these conditions are not being done with the registration will be subject to cancellation in accordance with 40 CFR section 161.107(A) and release for shipment of the product constitutes a violation of the conditions.

A copy of a copy of the label is enclosed for your information.
