NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- Add the phrase "EPA Registration No. 42050-7."
- Change the "Disposal" heading to "Storage and Disposal." Add the statement "Do not contaminate water, food, or feed by storage or disposal."
- Add the heading "Pesticide Disposal" and the following statement: "Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**ON ANIMALS:** To protect animals from horn flies, house flies, mosquitoes and gnats, apply a light mist sufficient to wet the tips of the hair. To control stable flies, horse flies, deer flies, apply 2 ounces per adult animal, sufficient to wet the hair, but not to soak the hide. Repeat treatment once or twice daily or at intervals necessary to give continued protection.

To control blood-sucking lice, apply the spray lightly to infested areas, using a stiff brush to get the spray to the base of the hair. Use 2 ounces or less per animal. Repeat every two or three weeks as required.

Do not reuse empty containers. Dispose of them in several layers of newspaper or in the trash.

### PRECAUTIONS HAZARDS TO HUMANS

Harmful if swallowed. Avoid contact with feed and food stuffs. Cover fish aquaria.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water bodies or disposal of waste.

Buyer assumes all responsibility for use of this product in accordance with directions given.
