 <p style="text-align: center;">U S ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7504P) 1200 Pennsylvania Ave N W Washington D C 20460</p>	EPA Reg # 51311 3	Date of Issuance JUN 26 2012
	Terms of Issuance Unconditional	
NOTICE OF PESTICIDE <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration (under FIFRA as amended)	Name of Pesticide Product MothGuard Old Fashioned Moth Balls	
Matthew Brooks c/o Ag Chem Consulting 12208 Quinque Lane Clifton, VA 20124		
<p>Note Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant the above named pesticide is hereby reregistered under the Federal Insecticide Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide Fungicide and Rodenticide Act (FIFRA). With this accepted labeling all requirements set forth in the Reregistration Eligibility Decision for Paradichlorobenzene have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.</p>		
<p><u>Confidential Statement of Formula</u></p> <p>The acceptable Confidential Statements of Formula (CSF) on record for this product are</p> <p>1 Basic CSF dated 10/22/10 Alternate CSF #1 dated 10/20/10</p>		

Alternate CSF #2 – dated 10/20/10
Alternate CSF #3 – dated 10/20/10
Alternate CSF #4 – dated 10/22/10
Alternate CSF #5 – dated 02/28/12
Alternate CSF #6 – dated 02/28/12
Alternate CSF #7 – dated 02/28/12
Alternate CSF #8 – dated 02/28/12
Alternate CSF #9 – dated 02/28/12
Any previously dated CSFs are superseded

Existing Stocks Provisions

Stocks of product with existing labels may be used for 18 months. A copy of your label stamped "Accepted" is enclosed for your records. If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label please contact Gene Benbow at (703) 347 0235 or via email at benbow_gene@epa.gov

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

IMPORTANT This product can be harmful to children when ingested Do not allow children to ingest the product

Use Restriction Kills Clothes moths Carpet beetles and their eggs and larvae in storage closets and in clean airtight containers such as chests trunks and garment bags Do not use dry cleaning bags garbage bags or other containers that allow vapors to escape into occupied rooms This product can damage some plastics use only in polyethylene or polypropylene containers Do not mix p dichlorobenzene or use it together with other moth preventive chemicals To ensure protection of clothing follow the application directions carefully Do not apply more product than specified for the area

being treated MothGuard Old Fashioned Moth Balls prevents moth infestation regardless of fabric type

Pre Application Directions Before storing dry clean wash or brush articles to be protected

Application Directions The mothballs in this container can treat up to 50 cubic feet (16 oz container) [75 cubic feet (24 oz container)]

One ounce of mothballs or 8 mothballs can treat up to 3 cubic feet or storage space Examples of the amount of product required for proper treatment are listed below

4 oz (32 mothballs)	Average Garment Bag (12 cu ft)
5 oz (40 mothballs)	Large Trunk (15 cu ft)
16 oz	Small Storage Close (50 cu ft)

For larger closets multiply the height width and depth of the space and divide by 50 to determine the number of pounds of product needed For example a closet 8 feet high 4 feet wide and 3 feet deep (i.e. 96 cubic feet) would need about 2 pounds of product (96/50=1.9) The proper treatment of larger volumes may require the use of additional containers of MothGuard Old Fashioned Moth Balls

Distribute mothballs evenly around and between the folds of stored articles Keep product in airtight space for a minimum of 7 days If mothballs have dissipated add additional mothballs to the storage closet or container Odor quickly vanishes when articles are aired

Retreatment Since moths are active all year replenish air tight closets containers and bags 2 times a year
