## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if inhaled or absorbed through the skin. Do not breathe dust. Avoid contact with eyes and skin. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FLEA CONTROL IN CARPETS:** Sprinkle 4 ounces of Carpet Dust for each 100 square feet of carpet to be treated. For best results and even application, brush dust into carpet lightly with broom. Wait one hour and vacuum as usual. Remove filter bag from vacuum and dispose in trash collection. This treatment will kill the fleas in the carpet and deodorize at the same time. Treat pets before their re-entry into room.

**FLEA CONTROL ON PETS:** For best results to kill fleas and ticks on Cats, Dogs, Kittens and Puppies, dust powder liberally over entire body. Rub dust into hair taking care that feed pads and between toes are treated thoroughly. Do not get dust in animals eyes, nose or mouth. Dust sleeping area regularly. Repeat as needed but not more often than once weekly.

### STORAGE AND DISPOSAL

Store in original container in cool, locked storage area. Do not reuse container. Empty completely, wrap in newspaper before discarding in trash.
