Subject: Label Amendment – adding Zika Virus, Chikungunya and Dengue Fever claims
Product Name: 3M Ultrathon Insect Repellent
EPA Registration Number: 58007-1
Application Date: 10/26/2016
Decision Number: 523253

Dear Ms. Asato:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 523253

with FIFRA section 6. If you have any questions, please contact Autumn Metzger at 703-305-5314 or Metzger.autumn@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kable Bo Davis', enclosed within a large, hand-drawn oval.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

WARNING

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
If In Eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.• Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-364-3577.	

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

For best results, spread evenly and completely over all exposed skin.

Use just enough repellent to cover exposed skin.

Do not over apply this product.

Heavy application and saturation is unnecessary for effectiveness.

Apply to palm of hand for application to face and neck and rub on.

After returning indoors, wash treated skin with soap and water or bathe.

Wash treated clothing before wearing it again.

DO NOT apply over cuts, wounds, or irritated skin.

DO NOT apply near eyes and mouth, and apply sparingly around ears.

DO NOT use under clothing.

DO NOT allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply to your own hands, and then put it on the child.

Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to the doctor, take this repellent product with you.

WILL NOT DAMAGE cotton, wool or nylon fabrics.

May damage some synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals) leather and painted or varnished surfaces (including automobiles).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store the product in a cool, dry place that is inaccessible to children.

Pesticide Disposal and Container Handling:

If empty: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available.

If partly filled: Call your local solid waste agency or call 1-800-364-3577 for disposal instructions. Never place unused product down any

indoor or outdoor drain.
