**Subject: Amended Labeling; Updates for PR Notice 2007-4
3M Ultrathon™ Insect Repellent Pump, EPA Reg. No. 58007-9
Your Submission Dated December 20, 2012**

Dear Ms. Nelson:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following label revision provision(s):

Precautionary Statements, HOT LINE NUMBER subsection comment(s):

1. Revise this subsection to read "Have the product container or product label with when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-364-3577, twenty-four (24) hours per day, seven (7) days per week."

Storage and Disposal section comment(s):

2. To facilitate inclusion of language from PR Notice 2007-4, and since this product does have a relevant revise the existing "**PESTICIDE STORAGE:**" subsection to read "Store this product away from heat or open flames, in a cool, dry (preferably locked) area that is inaccessible to children and animals."

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

FOR
