| | TERM OF ISSUANCE AUG - 1 1990 | |
| | NAME OF PESTICIDE PRODUCT Neptune II Water Based Antifouling Finish 550 Blue | |

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Acop-Cont, Inc.
 Woolsey Marine Division
 430 Seventh Avenue
 Pittsburgh, Pa 15219

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) and that you:

1. Submit all data required for registration/reregistration of your product under FIFRA section 3(c)(7) with the Agency, requires all registrants of similar products to do the same.
2. Add the phrase "EPA Registration No. 60061-77" to your label before you release the product for shipment.
3. Submit all copies of your final printed labeling before you release the product for shipment.
4. Submit a report to the Agency, the complete chemical composition, the country of origin, and other relevant data, facts and health effects of the product, "Antifouling," "Water Based," and "Blue."

...with the Agency, the complete chemical composition, the country of origin, and other relevant data, facts and health effects of the product, "Antifouling," "Water Based," and "Blue."

|---------------------------------|------|

6. Enclosed is a copy of "The Label" and "The Label Improvement Program (LIP)." Please revise your label accordingly.

7. The Confidential Statement of Formula agrees with the label and would be acceptable.

8. The enclosed product chemistry data are in compliance with 40 CFR sections 158.155 through 158.190 and would be acceptable.

The accelerated 30-day 50 °C storage and stability data are acceptable on an interim basis. The results of 12 months storage stability test must be received by the Agency within 15 months after the granting of registration.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Please make all necessary changes to your label according to the May 21, 1990 LIP mailed to you.

A stamped copy of the label is enclosed for your records.

Should you have any further questions, please contact Veronica Dutch at (703) 555-7404.

PRECAUTIONARY STATEMENT HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Avoid contact with skin, eyes or clothing. Wear protective clothing such as gloves, long-sleeved cotton long pants, and hat. Do not breathe sanding dust or fumes. Wear a mask or respirator jointly approved by the Safety and Health Administration and the National Institute for Occupational Safety and Health. Remove contaminated clothing and wash before reuse thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink promptly a large quantity of milk, egg white solution or, if these are not available, clear tepid water. Avoid alcohol. Get medical attention.
IF IN EYES: Flush with plenty of water. Get medical attention.
IF ON SKIN: Wash with plenty of soap and water. Get medical attention.
IF INHALED: Remove victim to fresh air. If not breathing, give respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARD

This material is toxic to fish. Do not apply directly to water. Contaminate water by cleaning of equipment or disposal of waste. Do not allow paint and sludge generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

PHYSICAL OR CHEMICAL HAZARD

COMBUSTIBLE: Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner not shown on the label. NOTE: When product is used in combination with a respirator, wear a respirator jointly approved by the Safety and Health Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health. See the provisions of 30 CFR 11.

WARRANTY: We guarantee this material to comply with the provisions of Federal law for its handling, use, storage, and disposal. MFGD BY WOOLSEY MARINE UNIT OF KODAK COMPANY. MEDICAL EMERGENCIES: 1-800-368-5828 IN PENNSYLVANIA: 1-800-368-5828
