AND POLLUTION PREVENTION

October 5, 2017

Mr. Albert R. Kelly
President of,
NORDICO Market Development, Inc.
142 East Avenue, Unit 402A
Norwalk, CT 06851

Subject: Notification per PRN 98-10 – Labeling Notification
Product Name: Nordico Cleaning and Disinfectant Formula
EPA Registration Number: 62401-5
Application Date: September 15, 2017
Decision Number: 533672

Dear Mr. Kelly:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Karen M. Leavy at (703)-308-6237 or via email at Leavy.Karen@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Karen M. Leavy, Esq.". The signature is written in a cursive style with a large initial 'K' and a trailing comma.

BACK PANEL-NUMBER 1

Nordico Bathroom Disinfectant Cloths

Nordico Bathroom Disinfectant Cloths are the disposable cloths that you just wet and wipe to make daily cleanups a breeze. Nordico Bathroom Disinfectant Cloths when used as directed provide 760 ppm active ingredients to kill household germs on hard, non-porous pre-cleaned surfaces to leave your sink, counter tops and toilet sparkling clean and fresh every time you clean.

Nordico Bathroom Disinfectant Cloths have a phosphate free formulation designed to provide effective cleaning, deodorizing, sanitization and disinfection specifically for use in homes, schools, and food service environments where housekeeping is of prime importance in controlling the hazards of cross contamination on treated surfaces.

Nordico Bathroom Disinfectant Cloths, when used as directed, are formulated to disinfect the inanimate hard, non-porous surfaces of walls, floors, sink tops, outer surfaces of toilet bowls, tables, chairs and telephones.

Nordico Bathroom Disinfectant Cloths deodorize those areas which generally are hard to keep smelling fresh around toilet bowls, garbage storage areas and other hard, non-porous surfaces which develop odors caused by microorganisms.

In addition, Nordico Bathroom Disinfectant Cloths clean and sanitize vinyl, "glazed" tile, stainless steel, glass and the following hard, non-porous non-food contact surfaces: shelves (metal, plastic, glass).

DIRECTIONS FOR USE (FOR HOME OR COMMERCIAL USE):

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Prior to use of this product, remove any gross filth or heavy soil.

Thoroughly saturate a Nordico Bathroom Disinfectant Cloth with water and squeeze three or more times to activate the special cleaning and disinfecting formula that lets you kill household germs when used to disinfect. Allow surfaces to remain thoroughly wet for 10 minutes. Then air dry. To disinfect heavily soiled surfaces, repeat the process with a fresh cloth.

TO CLEAN AND DISINFECT TOILET SURFACES

Use a saturated Nordico Bathroom Disinfectant Cloth according to the above directions to wipe the lid, seats, rim sides of bowl and surrounding floor areas and dispose of the used cloth in trash container

TO CLEAN AND DISINFECT OTHER BATHROOM SURFACES

Use a saturated Nordico Bathroom Disinfectant Cloth according to the above directions. Wipe surface to be cleaned thoroughly and dispose of the used cloth in trash container

TO DEODORIZE HARD NON-POROUS SURFACES

Use a thoroughly saturated wipe to deodorize hard non-porous surfaces. Allow surfaces to air dry.

NET CONTENTS: 00 Cloths (10 inches x 12 inches)

BACK PANEL-NUMBER 2

Nordico Non-Food Contact Surface Sanitizing Towels

These towels are pretreated with cleaning and sanitizing chemicals to provide 180 ppm active ingredients when used as directed for use in offices, motels, hotels, restaurants and other food service establishments on hard, non-food contact surfaces. When activated by water, they clean and sanitize vinyl, "glazed" tile, stainless steel, glass including shelves, floors and walls in customer service areas.

DIRECTIONS FOR USE (FOR COMMERCIAL USE):

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Prior to use of this product, remove any gross filth or heavy soil. Do not use on food contact surfaces.

Immerse towels in 16 ounces of water and squeeze three or more times to activate the special cleaning and sanitizing solution to kill and control bacteria on hard, non-porous, clean or pre-cleaned surfaces. Dampened towels must be stored in cleaning and sanitizing solution between uses. These towels are not for cleaning or sanitizing food contact surfaces such as utensils, glassware, cookware or food preparation surfaces.

TO CLEAN AND SANITIZE THE FOLLOWING NON-POROUS HARD SURFACES: VINYL, "GLAZED" TILE, STAINLESS STEEL, CHROME AND GLASS. Immerse one of more cleaning and sanitizing towels in accordance with the following use dilution chart:

<u># Towels</u>	<u>Amount of Water</u>	<u># Towels</u>	<u>Amount of Water</u>
1	1 pint	3	1.5 quarts
2	1 quart	4	0.5 gallons

Squeeze towels three or more times to activate the cleaning and sanitizing solution. To clean heavily soiled surfaces, visible and gross debris must be thoroughly removed before using the cleaning and sanitizing towels. Use a wet or dampened towel to clean and sanitize pre-cleaned surfaces. Allow surfaces to air dry. Store towels in the cleaning and sanitizing solution between uses.

Discard the cleaning and sanitizing solution after 8 hours of use, or sooner if solution becomes dilute or visibly soiled. Discard used towels along with the cleaning and sanitizing solution, or rinse and launder thoroughly before use for general cleaning.

To reactivate the system, rinse container with water and repeat the process with a fresh cleaning and sanitizing towel, as directed above.

NET CONTENTS: 00 Towels (13.5 inches x 16.75 inches)
144 Towels (20 " x 13½ ") (50 cm x 34 cm)

BACK PANEL-NUMBER 3

Nordico Kitchen Cleaning and Disinfectant Cloths

Nordico Kitchen Cleaning and Disinfectant Cloths are the disposable wipes you just wet and wipe to make daily kitchen cleanups a breeze. Nordico Kitchen Cleaning and Disinfectant Cloths are specially formulated to remove dirt and grease and to kill household germs on the following hard, non-porous inanimate surfaces: sinks, counters, tables, stove tops and appliance exteriors. These disinfectant cloths are not for cleaning and disinfecting eating utensils, glassware, cookware or other food contact surfaces. Use Nordico Kitchen Cleaning and Disinfectant Wipes to leave your kitchen sparkling clean and fresh.

Nordico Kitchen Cleaning and Disinfectant Cloths contain a formulation designed to provide effective cleaning, deodorizing and disinfection specifically for use in homes, schools, nursing homes, and food service establishments where housekeeping is of prime importance in controlling cross contamination from treated surfaces.

Nordico Kitchen Cleaning and Disinfectant Cloths, when used as directed are formulated to clean and disinfect the following hard, non-porous, inanimate surfaces: counter areas, stove tops, appliance exteriors, telephones, walls, floors, sink tops, sinks, tables and chairs. This product is designed to provide general cleaning and disinfecting of non-food contact surfaces.

Nordico Kitchen Cleaning and Disinfectant Cloths deodorize those areas which generally are hard to keep fresh smelling such as sinks, counter tops, garbage areas and other areas which are prone to odors caused by microorganisms.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Prior to use of this product, remove any gross filth or heavy soil.

Thoroughly saturate a Nordico Kitchen Cleaning and Disinfectant Wipe with an ounce of water and squeeze three or more times to activate the special cleaning and disinfectant formula that lets you kill household germs every time you clean-up. Dispose of soiled cloths in trash container.

GENERAL CLEANING

Use a thoroughly saturated wipe to clean or pre-clean hard non-food contact surfaces.

DISINFECTION

To disinfect hard, non-porous, inanimate surfaces, saturate a Nordico Kitchen Cleaning and Disinfectant Wipe with an ounce (28ml) of water. Squeeze three or more times to activate the cleaning and disinfecting chemicals. Apply to surface being sure to leave surface thoroughly wet for 10 minutes and air dry. Prior to use of this product, remove any gross filth or heavy soil.

Thoroughly rinse food contact surfaces such as counters, tables, appliances exteriors and sinks with potable water after use. Nordico Kitchen Cleaning and Disinfectant Wipes are not for cleaning or disinfecting food contact surfaces including utensils, glassware, dishware and cookware.

DEODORIZATION

Use a thoroughly saturated wipe to deodorize hard non-porous surfaces. Allow surfaces to air dry

NET CONTENTS: 00 Wipes (10 inches x 12 inches)
