	TERM OF ISSUANCE Conditional	
	NAME OF PESTICIDE PRODUCT ITEK-5 Water Purification Resin	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Recovery Engineering, Inc.  
 2229 Edgewood Avenue South  
 Minneapolis, MN 55426

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 64005-4"
  - b. Move the "Ingredient Statements" and place under the "Product Name".
  - c. Under the "Keep Out of Reach of Children" section, add the heading "Precautionary Statements" and "Hazards to Humans and Domestic Animals".

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL	DATE
---------------------------------	------

- d. Delete the heading "Precautionary Measures" and move the Precautionary statements under the heading "Precautionary Statements" on front panel.
- e. Under the "Ingestion section" add the heading "Statement of Practical Treatment" to read;
  - "IF IN EYES" .....
  - "IF ON SKIN".....
  - "IF INHALED".....
- f. Move the "Storage and Disposal", section to back panel.
- g. Move the "Net Contents" statements to bottom front panel.
- h. Under the "Storage and Disposal" section add this phrase; "Do not contaminate food, feed, or water by storage, disposal or by cleaning of equipment".

Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of the conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions about these comments, please contact LaVerne Dobbins at (703) 305-7064.

Sincerely,

Vivian Turner  
 Acting Product Manager (32)  
 Antimicrobial Program Branch  
 Registration Division (7505C)

Keep in a tightly sealed container. Store in a cool, dry ventilated area away from sources of heat or ignition. Protect against physical damage. Store separately from reactive or combustible materials, and out of direct sunlight.

Bury in an approved landfill or burn in an approved incinerator according to local, state and federal regulations.

**Sub** Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

4/4

Only for formulation into water purification systems that treat relatively clear water. Not for use in treating brackish, muddy, or salt water. For use in products designed to treat water suspected of containing cysts, viruses or bacteria.

Reformulators and repackagers of this product must obtain their own registration from the Environmental Protection Agency.

**Sub**

**Precautionary Measures**

**Danger. May be fatal if swallowed. May cause burns. Strong oxidizer. Contact with other material may cause fire.**

Oxidizing agents such as nitric acid attack ion exchange resins under certain conditions and could result in a slightly degraded resin up to an explosive reaction.

If swallowed, give several glasses of water or milk to drink. Induce vomiting if medical help is not immediately available. Never give anything by mouth to an unconscious person. If inhaled, remove to fresh air. If not breathing give artificial respiration. If breathing is difficult give oxygen. In case of contact, immediately flush skin or eyes with plenty of water for at least 15 minutes. In all cases call a physician.
