21. work best on horizontal surfaces when touching walls or corners. Only use enclosed stickers [as needed] when placing baits on walls or upside down. It is not necessary to use stickers on all baits.]
5. Replace all baits every 3 -or- 6 months[\*], or sooner if roaches return [because roaches have probably eaten
31. all of the bait inside]. [Need to replace baits since the roaches have probably eaten all the bait inside.]
