Subject: Amendment for Confirmatory Large Roach Child-resistant Packaging Data  
EPA Reg. No. 64240-34  
Submission dated May 19, 2011  
Decision No: 450913

Dear Ms. Anastasiou:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, subject to the condition below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment.

Please note that due to the updated Containers and Containment Rule, and because that this product is intended for single-use only, the following statements can be removed from the Storage and Disposal section:

- "Do not reuse or refill this container."
- "Never place unused product down any indoor or outdoor drain."

A stamped copy of the label is enclosed for your records. If you have any questions regarding this action, please contact Rosanna Louie-Juzwiak at (703) 308-0037.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebken".

Richard Gebken  
Product Manager 10, Insecticide Branch  
Registration Division (7505P)

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### GENERAL INFORMATION

[THIS IS] [HOW] [THIS PRODUCT] WORKS:

1. Roaches enter [the] bait station and eat the bait.
2. Roaches take bait back to the nest.
3. Roaches share the bait, killing other roaches and destroying the nest.

-or-

THIS IS HOW COMBAT® WORKS:

1. Roaches enter [the] bait station and eat the bait.
2. Roaches return to their nest and die.
3. Other roaches eat them and die creating a chain reaction.

- EASY TO USE
- NOTHING TO ACTIVATE
- NO VAPOR, FUMES, [MESS] OR ODOR

#### EFFECTIVENESS GUARANTEED:

COMBAT® Insect Control Systems stands behind this insect killing system with a full Satisfaction Guarantee. Should you have any questions regarding COMBAT® baits, please call 1-800-426-6228.

### MOST LIKELY PLACES TO FIND ROACHES

[Place bait stations wherever you see roaches.] [Here are the areas where roaches are commonly found.] [Use 8 bait stations at one time.]

#### Kitchen:

Under/around sink	On counters	Near doors
Under refrigerator	In cupboards/drawers	On floor/in corners
Under stove	Near garbage cans	

#### Bathroom:

Behind toilet	Near shower/bathtub	On floor/in corners
Under/around sink	Inside cabinets/drawers	

– or –

The kitchen, bathroom and other points of entry (garage, basement, attic, doors, windows) are the most important locations. – or –

The kitchen and bathrooms are the most important locations, but use COMBAT® bait stations wherever roaches have been found (laundry room, garage, bedrooms, attic, living room).

#### **FOR LARGE ROACHES, WATERBUGS & PALMETTO BUGS:**

**This product is specifically designed for large roaches, waterbugs & palmetto bugs.**

Small, 1” to 1 1/2 “ Cockroach Habits:

Primarily live and breed outdoors and enter homes in search of food. For effective control, bait stations should be placed where roaches can enter your home.

### APPLICATION INSTRUCTIONS.

1. Use all 8 baits [at one time].  
Break baits apart from plastic frame – or - Remove wrapper and separate bait stations from plastic frame.  
Do not remove or puncture the labels on bait stations.  
Place baits wherever you see – or – have seen roaches [or signs of roaches].  
[TIP:] Place baits about 1 ½ feet away from each other.  
Place any remaining baits in likely roach hiding places (as shown in diagrams above – or – to the right – or – left).
2. [Baits work best when] Place[ed] [baits] properly so that they are touching walls or corners.  
[Do not use sprays or foggers around bait stations] [: they can contaminate bait stations and reduce effectiveness.]

Note: ***Bold, Italicized text is information for the reader and is not part of the label.***  
[Bracketed information is optional text.]  
Underlined or Highlighted text is new.

3. Replace all [8] baits every 3 months, or sooner if roaches return [because roaches have probably eaten all of the bait inside.]

[Now the baits are ready to use.] [For best results, use all 8 bait stations at one time.] – or – [Put out all 8 baits. If you have fewer than 8 places where you have seen roaches, place the extra baits about 1 ½ feet away from the other baits that you have just placed.] [Some of the most likely locations for roaches are shown in the diagram to the right.]

[**TIP:**] [Roaches find the bait faster when more bait stations – or – baits are placed out.] [Use enclosed adhesive squares when placing baits on walls or upside down.] [Use enclosed stickers as needed. It is not necessary to use stickers on all baits.] [Bait stations work best on horizontal surfaces touching corners and next to walls.] [Use enclosed stickers as needed for vertical surfaces.]

Claims for front or back
