Unconditional

Name of Pesticide Product

The Garden Guy™ Diatomaceous Earth

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

TLM, L.L.C.  
14080 Nacogdoches Road PMB #314  
San Antonio, TX 78247

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3).

1. Make the following labeling change:
  - a. Add the EPA Establishment Number of the final establishment where the product is produced (i.e., the facility where the product is being repackaged in this case). Please be aware that it is unlawful to produce any pesticide in an establishment that is not registered with EPA. The term "produce" has been defined to include packaging or repackaging of a pesticide. For assistance in obtaining an EPA establishment number, please contact Ms. Carol Buckingham by telephone at (202) 564-5008 or by mail at the following address:

U.S. Environmental Protection Agency  
Office of Enforcement and Compliance Assurance  
Office of Compliance  
Agriculture and Ecosystems Division (2225A)  
1200 Pennsylvania Avenue, N.W.  
Washington, DC 20004

Signature of Approving Official:

EPA Reg. No. 74812-1

- b. Under Storage and Disposal, add directions for disposal of partly filled containers as specified in PR Notice 2001-6. The appropriate directions are as follows:

**“IF PARTLY FILLED: Call your local solid waste agency (or 1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.”**

- 2. **Please submit two (2) copies of your final printed label before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.**

A stamped copy of the label is enclosed for your records. If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

**George T. LaRocca  
Product Manager (13)

Other element oxides.....	10%
Moisture.....	5%
Total.....	100%

KEEP OUT OF REACH OF CHILDREN

#### CAUTION

See side panel for additional precautions

Net Weight 10 Oz. (284gm)

#### PRECAUTIONARY STATEMENTS HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

#### STATEMENT OF PRACTICAL TREATMENT

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Garden-Ville Diatomaceous Earth** is a mechanical insect killer. Insects cannot become immune to its action. Insects come in contact or ingest this powder and die within 48 hours.

#### INDOOR AND OUTDOOR APPLICATIONS

Garden-Ville DE is intended for application with a hand duster, power duster or other similar means for application to areas where crawling insects are found. Apply Garden-Ville DE to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

**Indoor use:** Cockroaches, Ants, Earwigs, Millipedes and Centipedes, Crickets and Silverfish. Lightly coat a thin layer of Garden-Ville DE in areas where these pests are found and may hide such as cracks and crevices, behind and beneath refrigerators, cabinets, stoves, garbage cans and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly if possible. Repeat treatment regularly.

**Floors:** Thoroughly treat floor and bedding in and around pets sleeping quarters. Treat surrounding cracks and crevices, base boards, carpeting and wherever fleas are suspected.

**Carpet Beetles:** Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

**Bedbugs:** Dismantle bed. Use Garden-Ville DE in joints, crevices and where rungs are inserted. See that all interior areas are dusted. Dust mattresses especially folds and edges. All cracks and crevices in the bedroom should be treated.

**Outdoor use:** Cockroaches, Earwigs, Grasshoppers, Ants, Crickets and other crawling insects. Lightly coat a thin layer of Garden-Ville DE in areas where these insects are found such as patios, outdoor pails, window and door frames. Dust around foundations, along ant trails and around sewer pipes and drains. Repeat treatment as necessary.

Manufacturer makes no warranty, expressed or implied, regarding the performance of this product in the absence of control over how it is used.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool dry area.

**DISPOSAL: IF EMPTY:** Do not reuse this container. Place in trash or offer for recycling if available.

Packaged by TLM, L.L.C.
