My typing is atrocious, and hate to edit what I write.

Look who's working late! I think
you meant 1235, don't worry, I'll keep taking care of you....

Water Flow Schematic

Allan,

I will need an electronic copy of MK-M-1236. SCHEMATIC OF WATER FLOW AT
MERRIMACK STATION.

I have a marked up copy that had the Deicing Recirculation for the two
units added. Also, check the west yard drain; it shows a flow of 293
MGD.

Thank you, John
