

HELP SESSIONS

EPA Announces Conference Calls to Answer Questions on the Miscellaneous Metal Parts and Products Surface Coating Information Request

- EPA will conduct a series of conference calls to answer your questions on the enclosed Data Collection request.
- Conference calls will be scheduled starting on November 19 and will continue until the demand for calls is met.
- To participate, please register by providing your name, company, MMPP Number(s) (Printed on Enclosure 6, one for each facility), e-mail address, and telephone and fax numbers to Ms. Leigh Lasher (PES) (method of contact shown by order of preference):
 - E-mail: llasher@rtp.pes.com
 - FAX: (919) 941-0234
 - Phone: (919) 941-0333, ext. 283
- Frequently Asked Questions (FAQs) and EPA's responses to them will be posted to EPA's web page for this project (www.epa.gov/ttn/uatw/coat/misc/misc_met.html). Questions from these conference calls will be added to the list of FAQs.
