May 20, 2015 at 9:45 PM EDT

UTC-time: May 21, 2015 at 01:45:00

Connection time: 9:45 PM EDT

Webinar presentation: 10:00 PM EDT
(duration 1 hour)

Topics to be covered:

AirNow-I Program Overview: The main elements to run the AirNow-I program.

Data Sharing Basics: The value of data sharing along some of the main issues related to it, and two examples of data sharing in AirNow-Tech.

AirNow-I News: Air Quality Awareness Week in the U.S. and the use of Social Media to engage the community.
