

You're invited to attend:

EPA's Environmental Science Institute - Air Quality Workshop

Tuesday, July 8 - Wednesday, July 9, 2014
9 AM to 4 PM

EPA is hosting the *Environmental Science Institute - Air Quality Workshop* for teachers, pre-service teachers and other environmental educators. This is a Criteria I Workshop for the N.C. Environmental Education Certification Program and offers up to 1.5 C.E.U.s.

TOPICS AND ACTIVITIES:

- Content is aligned with (State) Standard Course of Study for K-12 Science
- How EPA manages air quality in the U.S.
- Identify environmental health effects and risks
- Field test for ozone and other key air pollutants
- Navigate EPA's educational web sites
- Carbon footprint and sustainable solutions

BENEFITS:

- Receive curricula, pamphlets, brochures, and fact sheets
- Learn EPA's role in environmental research and management
- Experience interactive hands-on activities designed for classroom use
- Receive up to 1.5 Continuing Education Units (C.E.U.)

To register, contact Donna Rogers at rogers.donna@epa.gov with your name, address including city, state and zip, phone, email, employer and grade or primary audience.

Admission: Free

Event Phone: (919) 541-5478

Event Link: www.airnow.gov

Location:

EPA Campus, Research Triangle Park

109 TW Alexander Dr.
RTP, NC 27711

Please forward this to other interested teachers and environmental educators.

Thank you!
