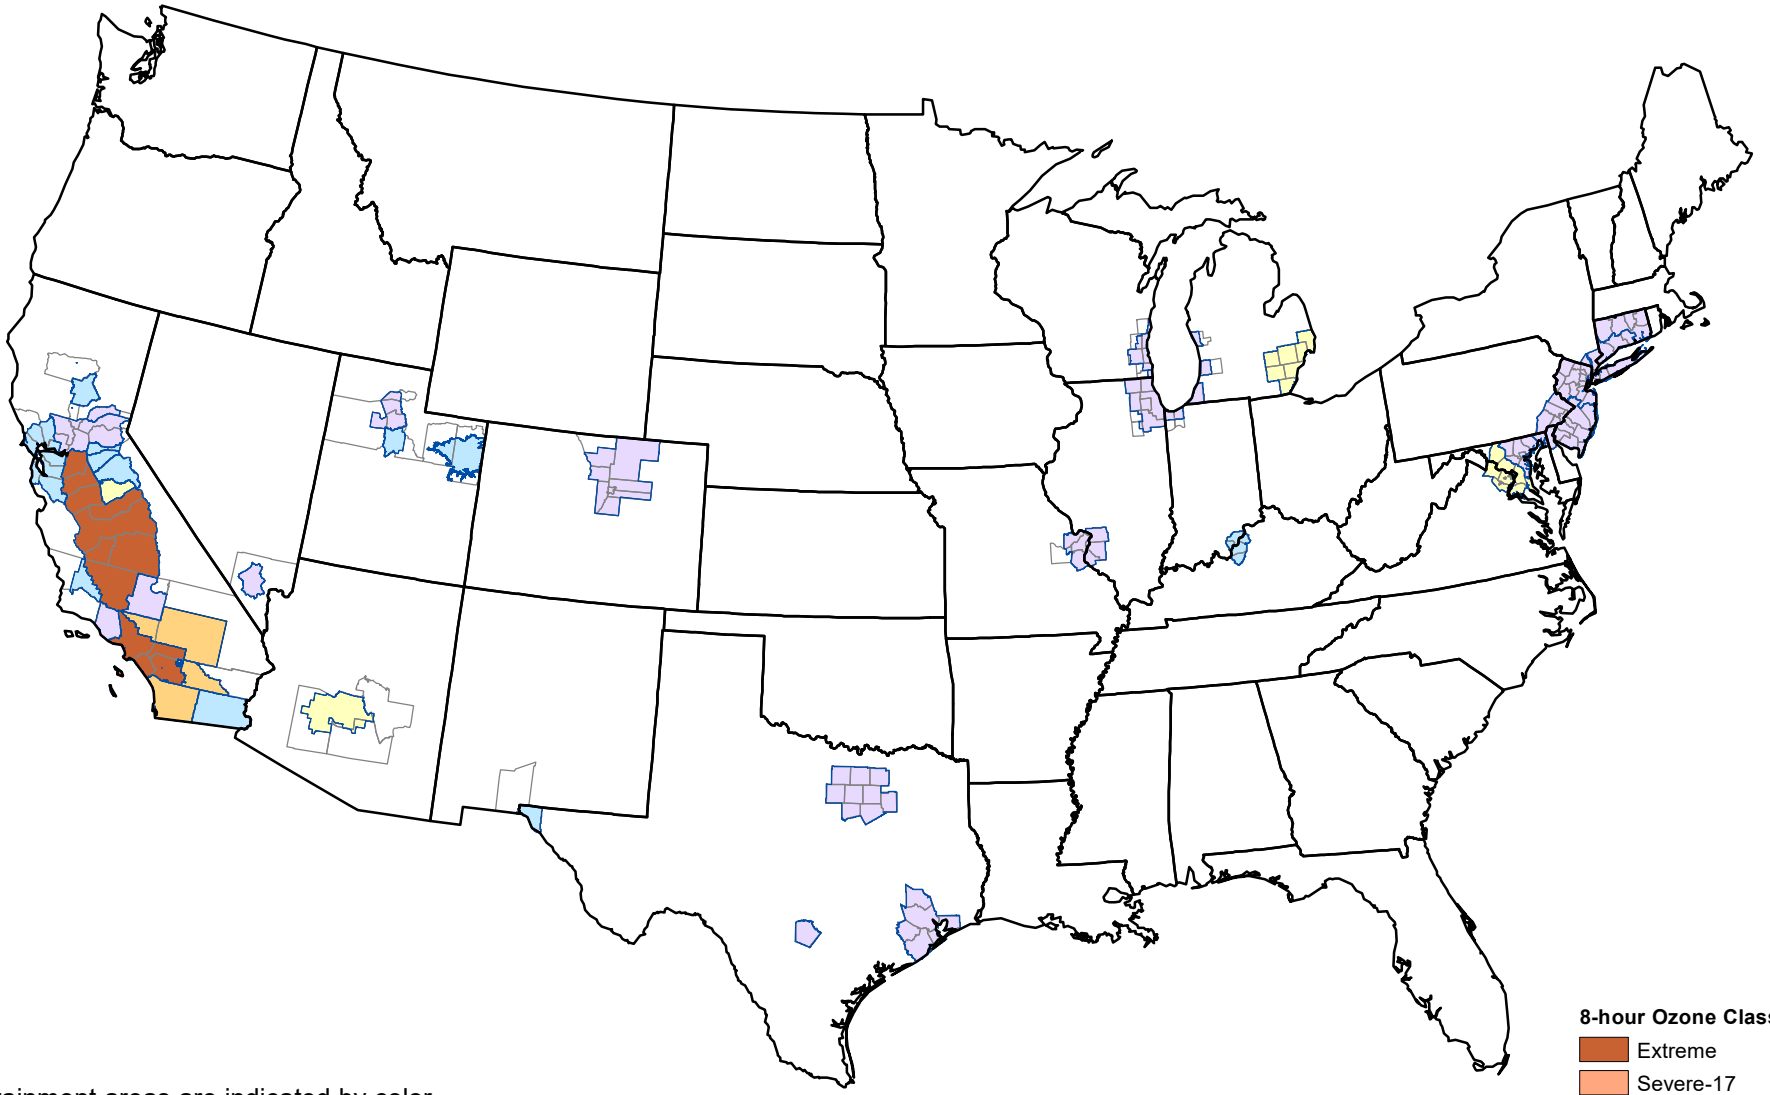
8-Hour Ozone Nonattainment Areas (2015 Standard)

08/31/2026



Nonattainment areas are indicated by color.
When only a portion of a county is shown in color,
it indicates that only that part of the county is within
a nonattainment area boundary.

For the Ozone-8Hr (2015) Louisville, KY-IN nonattainment area, the Ohio portion was redesignated on July 5, 2022. The Kentucky portion has not been redesignated.
The Kentucky portion of the Louisville area was reclassified from Marginal to Moderate on November 7, 2022.
The entire area is not considered in maintenance until all states in a multi-state area are redesignated.
