63.103(a)	Subpart A	Overrides to the General Provisions	S	The CAR incorporates all of the general provisions that apply to HON sources in the general provisions of the CAR. Therefore, the overrides table (table 3 of subpart F of the HON) is incorporated throughout the CAR general provisions. Part 63 general provisions that still apply to CAR sources are listed in table 1 of the CAR General Provisions.
63.103(b)	65.157(b)	Initial performance tests and compliance determinations only required when specified	N	
63.103(b)(1)	65.147(b)(1), 65.148(b)(1),, 65.149(b)(1), 65.150(b)(1), 65.151(b)(1), 65.152(b)(1), 65.154(b)(1)	Performance tests shall be conducted according to procedures	N	
	65.157(c)	Performance tests shall be conducted according to schedule	N	
63.103(b)(2)	65.164(b)(1)	Notification of intent to conduct performance test	C	The CAR includes provisions on what to do if there is a delay in the scheduled performance test. The CAR clarifies that the Administrator must be notified when a flare compliance determination is performed.
63.103(b)(3)	65.158(a)(1)	Performance test conditions	C	- The CAR language clarifies that periods of startup, shutdown, and malfunction do not constitute representative conditions. - The CAR clarifies that the Administrator may specify the condition in which the test is performed.
63.103(b)(4)	65.158(a)(2)	Reduction of data	C	The CAR lists possible revisions to the test methods that the Administrator may approve.
63.103(b)(5)	65.157(b)(2)	Performance test waiver	N
