

Sponsored by U.S. EPA Region 7

Green Infrastructure for EPA and State Staff Workshop

November 6 – 7, 2013 • 1 ½ day workshop at EPA Region 7's office

Wednesday, November 6, 2013 • 8:30 a.m. – 5:00 p.m.

Registration and coffee begins at 8:00 a.m.

↳ **Overview of Green Infrastructure**

- Hydrologic principles
- Why GI is different than traditional stormwater management
- Green infrastructure practice and watershed protection
- Common O & M requirements and monitoring
- Co-benefits of GI (economic, social, climate change, etc.)

↳ **Local Green Infrastructure Case Studies and Lessons Learned**

↳ **Reviewing Local Codes for Green Infrastructure Barriers**

↳ **Integrating Green Infrastructure into State and Federal Regulatory Programs**

↳ **Incentives and Challenges to Green Infrastructure in EPA Region 7 (small group discussion and reporting out)**

↳ **Green Infrastructure Modeling and Analysis (including EPA's stormwater calculator)**

Thursday, November 7, 2013 • 8:00 – 11:30 a.m.

↳ **Presentation on Integrating Green Infrastructure Across EPA Actions and a Green Infrastructure Design/Planning Exercise**

↳ **From 12:00 – 1:30 p.m., EPA will offer an optional tour of Green Infrastructure Practices in Kansas City.**

- Please register in advance. Transportation for a limited number of participants may be provided by EPA.

The workshop will be held at EPA's Regional office:
USEPA, 11201 Renner Blvd., Lenexa, KS 66219

Guests should park in the Visitor Parking Lot (see sign on right in front of the security gate). Then follow crosswalk to main building entrance. Visitors are required to present bags for inspection, pass through a metal detector and show an official ID for access to the building.

State and EPA participants may join the workshop via webinar from 8:30 a.m. – 2:30 p.m. on Nov. 6 and from 8:00 – 9:00 a.m. on Nov. 7. Registration required. Additional information on the webinar will be provided in advance to participants registered as webinar only.

Please register for this workshop at www.epa.gov/npdes/training.

There is no registration fee for this workshop.
