

US EPA Stormwater Program's Webcast Series

Municipal Stormwater Compliance

Webcast: Wednesday, March 7, 2007

Two-hour audio Web broadcast

Eastern: 12:00 pm – 2:00 pm

Central: 11:00 am – 1:00 pm

Mountain: 10:00 am – 12:00 pm

Pacific: 9:00 am – 11:00 am

Session Description:

EPA will introduce its new guide for assessing compliance and effectiveness of municipal separate storm sewer systems (MS4s) programs. This guide is intended for use by EPA and state staff conducting evaluations of MS4 programs, but can also be used by MS4s as a self-assessment of their program. The guide describes how to conduct an evaluation of each major stormwater program component and includes detailed worksheets to assist an evaluator during the evaluation.

Speakers: Jenny Malloy of EPA's Stormwater Program, John Tinger of EPA Region 9, Jason Papacosma of Arlington County, VA, and John Kosco of Tetra Tech.

Registration: You must register in advance to attend this webcast. Visit the NPDES Web site at www.epa.gov/npdes/training to register.

Note: Your computer must have the capability of playing sound in order to attend this webcast.

Tentative future dates and topics

5/9/2007	Social Marketing
7/11/2007	IDDE 201 - Field and lab methods
9/5/2007	Post-Construction 201

The materials in this Webcast have been reviewed by EPA staff for technical accuracy. However, the views of the speakers and the speaker's organization are their own and do not necessarily reflect those of the EPA. Mention of any commercial enterprise, product, or publication does not mean that EPA endorses them.
