

U.S. ENVIRONMENTAL PROTECTION AGENCY NPDES PERMIT WRITERS' COURSE

Pierre, South Dakota
September 8-12, 2014

Course Location

Matthews Training Center
Joe Foss Building
523 East Capitol Avenue
Pierre, South Dakota

Course Description and Registration Information

The objective of this course is to provide the basic regulatory framework and technical considerations that support the development of wastewater discharge permits required under the National Pollutant Discharge Elimination System (NPDES) program. The course was designed for permit writers with about six months to two years of experience in the NPDES program, but experienced permit writers wanting a refresher course and other water program staff wanting to learn more about the NPDES program also are welcome.

As a foundational course, the training does not address in detail specialized topics such as industrial and municipal stormwater, concentrated animal feeding operations, and vessel discharges. For more information on these specialized topics, please visit EPA's NPDES Web site at www.epa.gov/npdes

A course description and registration information are available at:
http://cfpub.epa.gov/npdes/outreach.cfm?program_id=0&otype=1

If you have any questions regarding the course, please contact Betty Peterson at:
betty.peterson@tetrattech.com or call her directly at (703) 385-2190.

Course Schedule and Logistics

On-site check-in for confirmed registrants begins on **Monday, September 8, at 11:00 a.m.**, with the course beginning at **12:00 p.m.** The course concludes on **Friday, September 12, at approximately 1:00 p.m.**
You will need a calculator for the practical exercises during the course.
