

# US EPA Stormwater Program's Webcast Series

## Tools and Guidance for Developing Your Post-Construction Stormwater Management Program

---

### Webcast: Wednesday, September 3, 2008

Two-hour audio Web broadcast

**Eastern:** 12:00 pm – 2:00 pm

**Central:** 11:00 pm – 1:00 pm

**Mountain:** 10:00 am – 12:00 pm

**Pacific:** 9:00 am – 11:00 pm

**Session Description:** The Center for Watershed Protection has published its new manual “Managing Stormwater in Your Community: A Guide for Building an Effective Post-Construction Program” (download at [www.cwp.org/postconstruction](http://www.cwp.org/postconstruction)). You may remember that we previewed this manual in our September 5, 2007 webcast entitled “Post-Construction, Building Green Programs.” This webcast will feature a detailed look at the tools and key features of the new manual, including conducting a program self-assessment, developing effective stormwater management criteria, incorporating credits for LID and runoff reduction, building a local guidance manual using off-the-shelf resources, and more.

**Speakers:** **Nikos Singelis**, U.S. EPA's Stormwater Program

**David Hirschman**, Center for Watershed Protection

**John Kosco**, Tetra Tech

**Steve Hubble**, Stafford County Virginia

**Registration:** You must register in advance to attend this webcast. Visit the NPDES Web site at [www.epa.gov/npdes/training](http://www.epa.gov/npdes/training) to register.

To view archived webcasts, go to [www.epa.gov/npdes/stormwater](http://www.epa.gov/npdes/stormwater), click on “Training & Meetings” in the bar on the right.

*Note: Your computer must have the capability of playing sound in order to attend this webcast.*
