Environmental Compliance for Automotive Recyclers

This compliance center is brought to you by the

AUTOMOTIVE RECYCLERS ASSOCIATION
ESTABLISHED 1965

Now everyone in the automotive recycling industry will have one place to go to find current and relevant information to help them comply with federal, state and local environmental laws.

ECARcenter.org is an environmental compliance assistance center developed by the Automotive Recyclers Association, the U.S. Environmental Protection Agency and the National Center for Manufacturing Sciences.

Visitors to **ECARcenter.org** will find plain language explanations of the major environmental regulations affecting automotive recyclers, along with links to additional sources of more detailed information.

ECARcenter.org is designed to be an interactive web site that allows users to search by state and activity subject. By taking the ECAR Tour, users will eventually have access to more than 1200 informative fact sheets on topics that recyclers care about most — such as stormwater management, hazardous waste handling, used tire storage, and wastewater disposal.

In addition to detailing what is required, **ECARcenter.org** provides extra information to help improve facility operations, including industry Best Management Practices (BMPs) and self-audit checklists. It also contains tools that help users locate other useful resources on the Internet. **ECARcenter.org** centralizes all of this material in a format that is user-friendly and easily printed.

To benefit users further, the site also features up-to-the-minute industry news articles pulled from publications across the country, as well as an interactive calendar feature that allows users to input dates of industry events.

With funding allocated through EPA, **ECARcenter.org** is available at no cost to the user. For more information about the site, contact Michelle Trowbridge with ARA by phone at 703/385-1001, ext. 23 or e-mail mtrowbridge@belmontcc.com, or contact Paul Chalmer with NCMS by phone at 734/995-4911 or by e-mail at paulc@ncms.org.
