Course Description and Registration Information

The objective of this course is to provide the basic regulatory framework and technical considerations that support the development of wastewater discharge permits required under the National Pollutant Discharge Elimination System (NPDES) program. The course was designed for permit writers with about six months to two years of experience in the NPDES program, but experienced permit writers wanting a refresher course and other water program staff wanting to learn more about the NPDES program also are welcome. A course description and registration information are available at:

http://cfpub.epa.gov/npdes/outreach.cfm?program_id=0&otype=1

If you have any questions regarding the course, please contact Betty Peterson at: betty.peterson@tetrattech.com or call her directly at (703) 385-6000, x181.

Course Schedule and Logistics

On-site check-in for confirmed registrants begins on **Monday, July 18, at 11:00 a.m.**, with the course beginning at **12:00 p.m.** The course concludes on **Friday, July 22, at approximately 1:00 p.m.**

NOTE: You will need a calculator for the practical exercises during the course. A heavy 3-ring binder workbook and one manual will be distributed at the course.

Hotel Information

The **Homewood Suites by Hilton, 338 Asylum Street**, is offering a special overnight room rate for course attendees. The hotel is within walking distance of DEP and the train station. The rate is **\$106/single plus 12% tax**; this includes a complimentary hot buffet breakfast and evening dinner reception. The cut-off date for this special rate is **June 17, 2011**.
