**INSTRUCTIONS FOR COMPLETING THE NOTICE OF TERMINATION (NOT) OF COVERAGE UNDER THE PESTICIDE GENERAL PERMIT (PGP) FOR
DISCHARGES FROM THE APPLICATION OF PESTICIDES**

Who Must File an NOT Form with EPA?

Any Operator required to submit a Notice of Intent (NOI) is required to submit a Notice of Termination (NOT) to end coverage under this permit. However, if EPA notifies the Operator to apply for an NPDES individual permit or alternative general permit, coverage under this permit terminates automatically. Dischargers automatically covered under this permit as identified in Part 1.2.3 of the permit are likewise automatically terminated upon permanent cessation of discharge consistent with any of the criteria identified in Part 1.2.5.3 of the permit. As required in the permit, only certain Operators that are also Decision-makers must submit NOIs.

If you have questions about whether you need to file an NOT or questions about completing the form, see www.epa.gov/npdes/pesticides or contact the NOI Center toll free at 866-352-7755.

When to File the NOT Form?

Operators must file the NOT form within 30 days after one or more of the conditions in Part 1.2.5.2 of the permit have been met.

Where to File the NOT Form?

Consistent with Part 1.2.5.1 of the permit, the Operator must submit the NOT using EPA's electronic Notice of Intent (eNOI) System available on EPA's website (www.epa.gov/npdes/pesticides/enoi) unless eNOI is otherwise unavailable or the Operator files a waiver from the requirement to use eNOI for submission of the NOT. The Electronic Submission Waiver is at the top of this NOT form. An Operator waived from the requirement to use eNOI for any NOT submission must certify to EPA on this form that use of eNOI will incur undue burden or expense over the use of the paper NOT form and then provide a basis for that determination.

Filing electronically is the fastest way to terminate permit coverage and help ensure that your NOT is complete.

If you do file a waiver from using eNOI; you must send the NOT to one of the addresses listed below.

Completing the NOI Form

To complete this form, type or print in uppercase letters in the appropriate areas only. Make sure you complete all questions. Make sure you make a photocopy for your records before you send the completed original form to the address above. You can also use this paper form as a checklist for the information you will need when filing an NOT electronically via EPA's Pesticides eNOI system.

Section A. Permit Information

1. Enter the existing NPDES Permit Tracking Number assigned by eNOI or the EPA's Pesticides Processing Center. You can find the tracking number assigned to your previous NOI using EPA's eNOI System (www.epa.gov/npdes/pesticides/enoi).
2. Select the appropriate box to indicate why you are submitting an NOT to end permit coverage. Select one of the three termination options:
 - a. Select this box if you have ceased all discharges from the application of pesticides for which you obtained permit coverage and you do not expect to discharge during the remainder of the permit term.
 - b. Select this box if you have obtained NPDES individual permit coverage or alternative NPDES permit coverage.

- c. Select this box if a new Operator has taken over decision-making responsibility of pest control activities covered under an existing NOI and you are no longer the Operator. Provide the date of transfer and the name and contact information of the new Operator.

Section B. Operator Information

1. Provide the full legal name of the person, firm, public organization, or other entity that is the Operator who is the Decision-maker for the pesticide application described in this application.
2. Provide the Operator's IRS Employer Identification Number.
3. Provide the Operator's mailing address and telephone number. Correspondence will be sent to this address.
4. Provide a contact person's full legal name and e-mail address. This person will be contacted regarding any NOT communication.

Section C. Certification

Carefully read the certification statement. By completing and submitting the NOT, the Operator certifies that every applicable general permit requirement will be met. Provide the printed full legal name, title and email address of the certifier. Sign and date the form. (CAUTION: An unsigned or undated NOT form will prevent the termination of permit coverage.) Federal statutes provide for severe penalties for submitting false information on this application form. Federal regulations require this application to be signed as follows:

For a corporation: by a responsible corporate officer, which means:

- (i) president, secretary, treasurer, or vice president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation, or
- (ii) the manager of one or more manufacturing, production, or operating facilities, provided the manager is authorized to make management decisions that govern the operation of the regulated activity including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long-term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor; or

For a municipal, state, federal, or other public facility: by either a principal executive or ranking elected official.

If the NOT was prepared by someone other than the certifier (for example, if the NOT was prepared by the PDMP contact or a consultant for the certifier's signature), include the name, organization, phone number and e-mail address of the NOT preparer.
