Disinfectants Branch

EPA Reg. No. or File Symbol 38906 - RLDate Division Received 7-18-84Products Manager No. 32 (Castillo)Product Name Danto BromTM PCompany Name Glyco, Inc.

100.0 Comments:

a.

- b. The words "Active Ingredients" and "Inert Ingredients" must be given equal prominence, they must be of the same type size and must be aligned to the same margin.
Change word "Inerts" to read "Inert Ingredients."
- c. The "Available bromine" should be 44.4% and the "Available chlorine" should be 39.2%.
- d. For the pesticide and container disposal instructions please refer to PR Notice 83-3.
