SUBJECT: NALED -- Request for Submission of Monte Carlo Dietary Assessment

Dear Mr. Solomon:

This letter serves as formal follow-up of your telephone conversation with the chemical review Manager for Naled, Diane Isbell, on September 12, 1997. During this conversation, Diane relayed our request that a Monte Carlo assessment for dietary risk on Naled be submitted to the Agency. We request that you submit this study to the Agency on or before October 31, 1997. Please consult the pertinent members of the Office of Pesticide Programs, Health Effects Division to ensure that the study is conducted in an acceptable manner. Thank you in advance for your prompt response to this request.

If you have any questions concerning this matter, please contact Diane Isbell at (703) 308-8154.

Sincerely,

Kathy S. Monk, Chief
