

OCT 07 1985

Metrex Research Corporation
11270 S. Dransfeldt Road (Shipping Only)
P.O. Box 965
Parker, CO 80134

Attn: David Stump

Subject: Metricide Sterilizing and Disinfecting
Solution 14 day
EPA Reg. No. 46781-1
Re-Use Test Protocol Submission dated Sept. 25, 1985

The submitted protocol does not adequately address several factors that should be considered in conducting a reuse study. For these factors, see the Technical Support Section Efficacy Review Enclosure.

Sincerely,

John H. Lee
Product Manager 31
Disinfectants Branch
Registration Division TS-767C)
