Attention: David L. Stump

Gentlemen:

Subject: Metri Cide Activated Dialdehyde Solution  
EPA Registration No. 46781-1  
Your Submission Dated May 20, 1986

The submitted virucidal data support the label claim for virucidal activity against Coxsackievirus B 5a. However, to complete the file record, the schedule of bioburden tasks employed in conducting the additional 14-day reuse study on batch sample 244851 should be submitted as procedural documental evidence of the study.

Sincerely yours,

John H. Lee  
Product Manager (31)
