PESTICIDES AND TOXIC SUBSTANCES

DEC 20 1985

MEMORANDUM

SUBJECT: EPA Reg. No. 8340-17: Triphenyltin hydroxide (TPTH).
Return of submission of mutagenicity studies to
Registration Division because of incomplete copies.

TOX CHEM No. 896E

FROM: John Doherty *John Doherty 12/17/85*
Toxicology Branch
Hazard Evaluation Division (TS-769)

TO: H.A. Jacoby
Product Manager #21
Registration Division (TS-767)

THRU: Edwin Budd
Section Head
Toxicology Branch
Hazard Evaluation Division (TS-769)

12/19/85
12/11/85
12/12/85

This submission is being returned to Registration Division because the studies as submitted were incomplete and there were many data tables missing. The studies were returned to Mr. Phil Hundemann several days ago and he has initiated contact with the American Hoechst Co. to provide complete copies.

The submission is being returned at this time in order to meet the December 23 deadline. When the complete studies are received from the registrant, please forward another submission with a later due date.
