

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

557-7395

MAY 17 1985

MEMORANDUM

OFFICE OF  
PESTICIDES AND TOXIC SUBSTANCES

SUBJECT: Dow Corning 5700. Request for Added New Use to  
Treat Premoistened Disposable Towelettes or  
Tissue Wipes.

EPA Reg.No. 34292-1  
TOX Chem. No. 892B

FROM: Henry Spencer, Ph.D. *5/15/85*  
Section VII, Toxicology Branch  
Hazard Evaluation Division (TS-769)

TO: John Lee, Product Manager #31  
Disinfectants Branch  
Registration Division (TS-767)

THRU: Albin B. Kocialski, Ph.D. *ABK 5/16/85*  
Section Head, Section VII  
Toxicology Branch/HED (TS-769) *diff for WBS 5/16/85*

Comments:

1. Toxicology Branch has no objections to the requested additional new use provided that the label indicates use as a fiber preservative.
2. No claims for health purposes can be implied.
3. Sufficient toxicology data are present to support the requested use.
4. The chemical has existing registrations for clothing, including underwear, socks, tents, carpeting and cloth linings of shoes.
