Antimicrobials Division

SUMMARY OF INFORMATION REVIEWED AND FINDINGS

This application is for registration of a new product. See previous Product Chemistry reviews dated 10-29-96, 02-26-97, 06-12-97, and 04-27-97 by Anna Skapars.

This submission is in response to an Agency letter dated August 29, 1997. which requested new data matrices, End Use Product Chemistry data, and revised "Certification with Respect to Citation of Data" to satisfy the EPA's product chemistry data requirements for registration of this product.

Confidential Statement of Formula dated 03-11-97 is in compliance with PR Notice 91-2, it agrees with the label and is acceptable.

The submitted new data matrices and additional end use product chemistry data are acceptable.

Only Chemistry is addressed here.
