Bolero 8EC-Phytotoxicity & Spray Drift
(239-EUO & EULN)

Robert W. Holst, Plant Physiologist

Willa Gardner, PM Team 23, RD

THRU: Raymond Matheny, Head Section 1

Clayton Bushong, Chief, EEB

The information contained in the forwarded accessions (#241478, 241487, 241488) is the same as that found in the 239-EUP-77 on Bolero 8EC with respect to spray drift studies and phytotoxicity. The comments made in 239-EUP-77 are still current for these subjects.
