1. INTRODUCTION

- 1.1 The registrant, Mobay Chemical, is requesting conditional registration of the product OFTANOL 6 EC for control of subterranean termites.
- 1.2 The label, copy attached, proposes use to be under and around the inside and outside perimeters of buildings, pre- and post-construction.

2. RECOMMENDATIONS

- 2.1 The use, as proposed, is not considered to be an outdoor use which would come under the purview of the Environmental Fate Branch.
- 2.2 The Environmental Hazards and Storage and Disposal statements appearing on the proposed label are assumed to preclude use in such a way which would cause contamination of ground water.
