       Benefits and Use Division

Monitoring study requested by EAB /X/

Monitoring study voluntarily conducted by registrant: /

APR 2 1936

Note to: George LaRocca

As we discussed by phone several weeks ago, EAB believes that the use of water soluble packaging of Demon® crack and crevice insecticide will not appreciably reduce the exposure of applicators. We believe that the mixing/loading procedure contributes a negligible amount to the total exposure of these workers

A handwritten signature in cursive script, reading "David Jaquith". The signature is written in dark ink and is positioned above the printed name.
