MEMORANDUM

SUBJECT: Flumetsulam (XRD-498 Technical) ~~New Chemical~~
FROM: Anne L. Barton, Director *au*
Environmental Fate and Effects Division
TO: Addressees

This memorandum is to inform you that the new chemical Flumetsulam (DE-498 Technical) submitted by Dowelanco has passed the new chemical screen and will now be put into full review. Since the application is for a first food use product, in accordance with Standard Operating Procedure 3003.4 as revised, the effective due date will be 375 days from the date the data was distributed to the science divisions (November 6, 1991). Therefore, the due date for completion of branch chapters will be December 7, 1992.

If you have any questions, please feel free to contact Rose Mary Kearns of my staff at 305-5084.
