### MAY 3 0 2002

P.F. Harris P.O. Box 7344 Jacksonville, FL 32238-0344

Dear Mr. Goodman:

Subject: Response to P.R. Notice 2001-1

Product Name: HARRIS FAMOUS ROACH TABLETS

EPA Registration No. 3-1

Application date: January 22, 2002

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended revising the label in compliance with PR Notice 2001-1 is acceptable, and a stamped copy is enclosed for your records.

For the purpose of clarity and consistency you must revise the Disposal Statement in accordance with PR Notice 2001-6. Registrants using the revised disposal statements provided in this notice may add the disposal statements to their labels by notification to read as follows:

If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP which is managed as a public-private partnership. Refer to PR Notice 2001-6 for more detailed instructions.

If you have any questions regarding this letter, please contact Ms. Pat Quarles, at (703) 505-6876.

Lou Marion Johnson
Product Manager 10

#### HARRIS FAMOUS ROACH TABLETS

#### **DIRECTIONS FOR USE**

It is in violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR HOMEOWNER USE ONLY.

USE RESTRICTIONS: Apply only in areas inaccessible to children and pets. Avoid contamination of feed or foodstuff.

#### **APPLICATION DIRECTIONS**

Harris Famous Roach Tablets are an insect food and contain the HARRIS ROACH LURE. Because of this "lure", roaches and water bugs will find and eat these tablets. Tablets are made soft so that roaches and water bugs may eat them.

To control cockroaches, ants, and silverfish place no more than twelve tablets per room in sites, such as under and behind refrigerator, stove, sinks, tubs, dishwasher, washing machine, dryer; Into openings around drains, water pipes, and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers, and chest of drawers then place tablets in drawer wells.

Any tablet visible after application must be pressed into cracks and crevices or removed. Reapply as necessary.
