Subject: Harris Famous Roach Tablets, EPA Reg. No. 3-1
Application Dated May 16, 2010 (Notification
Decision: 447279

APR 7 2011

Dear Mr. Adams:

The labeling referred to above, submitted in connection with registration under the Federal insecticide, Fungicide, and Rodenticide Act, as amended with the new alternate brand name of 'Harris Famous Roach Tablets – Kills Silver Fish', is acceptable subject to the comments below.

1. Change the Storage and Disposal section to the following:

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container, in a dry place inaccessible to children and pets.

Pesticide Disposal: Nonrefillable container. No not reuse or refill this container.

Container Handling: If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP which is managed as a public-private partnership.

Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records. If you have any questions, you may contact Samantha Hulkower at (703) 603-0683 or Hulkower.Samantha@epa.gov.

Sincerely,

Mark Suarez
Product Manager (13)
Insecticide Branch
Registration Division (7505P)

Enclosure: Copy of Label Stamped "Accepted with Comments"

EPA Reg# 3-1

EPA Est# 3-GA-1, EPA Est# xxxxx-xx-x
[See lot number for actual establishment]

Net Wt: **2 oz (56 g)** [or other sizes as appropriate]

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

Have the product or label with you when calling a poison control center or doctor or going for treatment in case of emergency, for additional information call 1-800-858-7378.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

[Lift Tab for Spanish (or other language)]

Harris Famous Roach Tablets are an insect food and contain the HARRIS ROACH LURE. Because of the "lure", roaches and water bugs will find and eat these tablets...

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: Apply only in areas inaccessible to children and pets. Avoid contamination of feed or foodstuff.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theatres, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers.

APPLICATION DIRECTIONS

To control roaches, ants, water bugs and silverfish place no more than twelve tablets per room in sites, such as under and behind refrigerator, stove, sinks, tubs, dishwasher, washing machine, dryer, into openings around drains, water pipes, and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers, and chest of drawers. Then place tablets in drawer wells. Any tablet visible after application must be pressed into cracks and crevices or removed. Reapply as necessary.

NONDOMESTIC USE (NON-EDIBLE PRODUCT AREAS ONLY)

Application in New and Existing Construction to control roaches and other insects: When treating large areas, such as voids, soffits and subcabinet voids, place liberally. Place tablets into pits of dumbwaiters, elevator shafts and trash chutes. In storerooms, apply under pallets and behind boxes.

This container is sold by weight, NOT by volume. You can be assured of the proper weight even though some settling of contents normally occurs during transportation and handling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling, if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP which is managed as a public-private partnership.
