Yorkville, NY 13495

Gentlemen:

Subject: Use on Houseplants
Bonide Malathion 50% E
EPA Registration No. 4-99
Your Amendment Application Dated June 27, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you submit five (5) copies of your final printed labeling incorporating the following correction before you release the product for shipment.

- Refer to our letter of June 2, 1988. The label corrections specified in items 2 and 4 of that letter must be incorporated into your labeling for the subject product.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of this condition.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

BONIDE MALATHION 50%E, EPA Reg. No. 4-99

INSTRUCTIONS FOR USE ON HOUSEPLANTS IN HOMES, GREENHOUSES, BATHHOUSES, COMMERCIAL AND INSTITUTIONAL BUILDINGS AND FOR INDOOR LANDSCAPING.

Prior to spray application, remove infested plants from living and eating areas, and place in an area not likely to come in contact with pets, children or food. Plants can be returned to original location when leaves dry.

If plant removal is not possible, remove or cover exposed food and food handling surfaces, including utensils, and remove animals. Shut off ventilating system, air ducts, and air conditioning equipment. Avoid spray contact with surrounding areas.

Insects Controlled

The following insects are controlled by this product: ...

Plants Protected

This product is effective against a wide range of insects ...
